Ongoing Business

We have another representative, Wendy Barley of Richland County, who has worked with school counselors and is involved in social emotional learning in schools. She really understands licensure.

Chandler sat through the last hearing for the Medical Ethics and Diversity Act and it was done with non-professionals who do not know much about counseling. This is in response to conversion therapy.

ACA has a bill they are trying to get in the house right now to get LPCs included for Medicare reimbursement.

First advocacy team meeting is on Saturday.
